ACTIVITY REPORT

Guru Nanak College of Arts, Science, and Commerce took the initiative to hold a Competitive Exam training programme. A training programme for graduate students was organized by the "Competitive Exam Coaching opening opportunities" group. This training session has helped 23 students from our colleges. This training will last approximately 120 hours. The major goal of this course is to teach students how to solve issues quickly using short cuts, and as a result of this course, students will learn simple tricks and strategies for passing competitive tests. The training took place on an online platform.
