Policy document on Divyangjan-Friendly, barrier free environment

The college is sensitive towards differently abled 'divyangjan' students. The following facilities are being provided to make the environment more friendly for them:

- Physical facilities: Wheelchairs, smart-table, small benches for dwarf students, handsticks will be provided.
- Ramp/rail facility will be provided in the campus.
- Lift facility will be available.
- Braille software will be provided for the visually-challenged students.
- Examination facilities viz. scribes, extra-time will be provided
- Wash rooms and rest rooms for the differently abled will be made available.
