Recommendation Letter - Mr. Aryan Phodkar

Dear Sir/Madam,

It is my pleasure to endorse Aryan Phodkar as a photographer for both personal and professional work. I have known Aryan for a little over a month, during which he worked as a Product Photographer for my textiles business.

I was highly impressed with Aryan's photography skill, proactiveness and unbelievable efficiency during the time that he worked with me. Aryan is very bright, eager to learn and highly professional. I am confident that he will display a high degree of commitment to your needs. He is a fast learner and has clicked some outstanding product photos for my business. Aryan has demonstrated the ability to understand what is required and given results far beyond my expectations.

Using the product photos Aryan clicked for us on social media platforms - specifically Instagram - we were able to post some incredible content for our customers and followers. We witnessed a substantial rise in user engagement and sales though digital platforms were up almost 150% after hiring Aryan. His photos did a great job at conveying the details of the fabric and embroidery to potential customers shopping digitally.

I recommend Mr. Aryan without reservation. I am confident that he will quickly adapt to your requirements and do an excellent job at taking professional photos. If you need more information or specific examples, please do not hesitate to contact me at +91 98200 34155 or by email at sawantrajtejraj@gmail.com.

Yours sincerely,

Rishabh
