

The utilization and maintenance of academic and support facilities is ensured through established system.

Maintenance:-

Physical facilities like classrooms computer laboratories, washrooms, open areas, playground are kept clean by the support staff allocated for housekeeping.

RO water facilities, plumbing, electrical fixtures are maintained by a electrician plumber who are on the campus estate

Annual maintenance contracts are signed with external agencies for the upkeep of the water filters, Air conditioners and ICT equipment like computers projector and elevators. The internet lease line and peripherals are also serviced by technical staff.

A senior faculty is appointed as In charge of infrastructure. All complaints, requirements are addressed to the In charge who then regulates the maintenance and augmentation wherever and whenever needed.

Student representatives are also involved in the maintenance and report requirements regularly to the Teacher In charge or Principal.

Feedback for facilities is taken which helps in upgrading and improving quality of services and facilities.

Registers of Record are placed in the seminar Rooms, AV Room to ensure smooth usage.

Software licences are regularly renewed and antivirus etc protection is present in all computers facilities
